Khulanathi Mtshazo
Software Developer

22-Feb-2001   Male   South African   Licence: Code10(C1)

A diligent young software developer who prides himself in whatever he does. I possess interpersonal skills such as: analytical skills, teamworking ability, meticulous, ability to work under pressure, and critical thinking skills. Having experience in a leadership role, a passion for coding and excellent communication and judgement skills, I look forward to changing my future.
